To support this massive national exercise, Ministry of Minority Affairs conducted continuous workshops and training sessions with State/UT Waqf Boards and Minority Departments. A two-day Master Trainer Workshop was also conducted in Delhi to equip Waqf Boards and State/UT officials with hands-on training for the uploading process.

Senior technical and administrative teams were deputed across states, and 7 zonal meetings were held nationwide. A dedicated helpline was also set up at the Ministry office for technical support and quick resolution of issues arising during the uploads.

Since the launch of the Portal, Secretary, Ministry of Minority Affairs, Dr. Chandra Shekhar Kumar took 20+ review meetings, consistently guiding, motivating, and monitoring States/UTs to ensure timely and accurate uploading of existing Waqf property details. The conclusion of this phase marks a significant milestone in bringing transparency, efficiency, and unified digital management to Waqf properties across India under the UMEED framework.
