

DRONE SURVEY FOR SVAMITVA SCHEME

प्रविष्टि तिथि: 09 DEC 2025 2:54PM by PIB Delhi

Under SVAMITVA Scheme, in Uttar Pradesh, drone survey has been completed in 90,573 targeted abadi villages and 1.08 crore property cards have been prepared in 70,958 villages which are linked to State's revenue records (***District wise status is annexed***). Ministry of Panchayati Raj does not maintain district-wise data of property cards linked to central financial platforms to ensure access to formal credit.

The Government has assessed the technical accuracy of the boundaries of property parcels created under the SVAMITVA Scheme. Survey of India (SoI) carries out the drone-based large-scale mapping (LSM) using survey grade drones and CORS network to ensure positional accuracy of upto 5 cms for the abadi properties. Local error correction is undertaken through ground verification process with the involvement of Gram Panchayat representatives, property owners, and revenue officials. Parcel boundary lines are validated on ground and corrections, if any, are incorporated before finalization of the property maps and issuance of property cards.

Ministry of Panchayati Raj has no plans to create a National Rural Property Database by integrating SVAMITVA data with other Central registries.

District wise status of SVAMITVA Scheme in Uttar Pradesh:

Districts	Targeted villages	Drone survey completed villages	Property cards prepared villages	Number of Property cards prepared
Amroha	883	883	856	108709
