Prime Minister Shri Narendra Modi today expressed optimism about India's leadership in Artificial Intelligence, following a productive discussion with Mr. Satya Nadella, Chairman and CEO of Microsoft.

The Prime Minister welcomed Microsoft's announcement to make its largest-ever investment in Asia in India, underscoring the nation's growing role as a trusted destination for innovation and technology.

Responding to a post by Mr. Satya Nadella, the Prime Minister said:

“When it comes to AI, the world is optimistic about India!

Had a very productive discussion with Mr. Satya Nadella. Happy to see India being the place where Microsoft will make its largest-ever investment in Asia.

The youth of India will harness this opportunity to innovate and leverage the power of AI for a better planet.”
