

HEMRL Hosts National Rajbhasha Scientific Sangoshthi Showcasing DRDO's Vision for Developed India @2047

DRDO Scientists Present 150+ Technical Papers Promoting Innovation & Rajbhasha in Defence Research

प्रविष्टि तिथि: 12 DEC 2025 12:27PM by PIB Mumbai

Pune, Friday, 12 December 2025 :

High Energy Materials Research Laboratory (HEMRL), a premier laboratory of the Defence Research & Development Organisation (DRDO), successfully organised the National-Level Combined Rajbhasha Scientific and Technical Sangoshthi (ACE Cluster) on 11-12 December 2025. The event was themed "Contribution of DRDO for Developed India @2047", highlighting India's strides toward technological superiority and self-reliance in defence systems, while also advancing the use of Rajbhasha Hindi in scientific and technical communication.

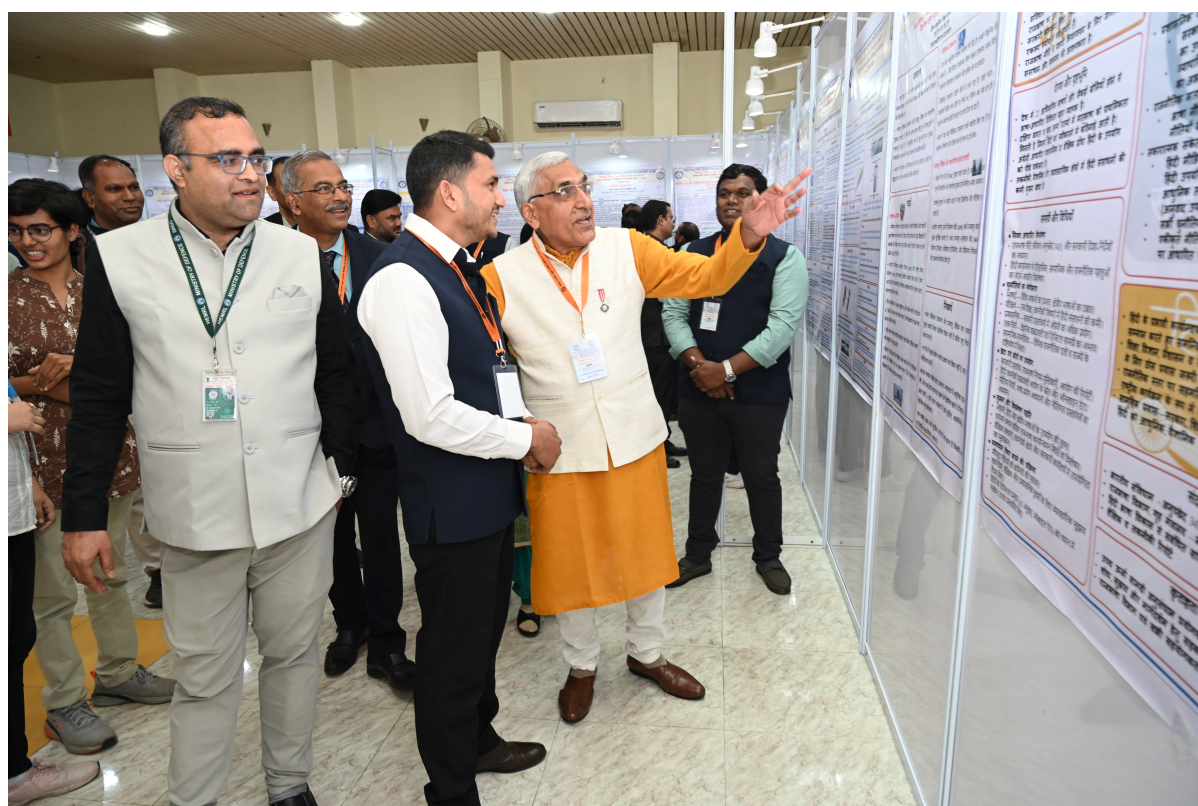

The event was inaugurated by Padma Shri Dr. Santram Deshwal "Saumya", who graced the occasion as the Chief Guest, in the presence of Dr. Himanshu Shekhar, Scientist 'G' & Officiating Director, HEMRL.

Prof. (Dr.) Prateek Kishore, Distinguished Scientist & Director General (Armaments and Combat Engineering Systems), and Dr. A. P. Dash, Outstanding Scientist & Director, HEMRL, joined the ceremony via video link.

Over the two days, the Sangoshthi witnessed extensive participation from DRDO laboratories nationwide, with HEMRL’s scientists and officers contributing significantly through more than 150 scientific papers and research presentations. The programme included technical sessions by eminent scholars, interactive discussions on emerging defence technologies, and focused deliberations on DRDO’s role in shaping India’s advanced defence ecosystem.

The event concluded on a highly successful note, emerging as a significant national platform for promoting scientific research, knowledge exchange, and technical communication in Rajbhasha Hindi.
