

PLI Scheme for Food Processing Industry

PLI Scheme Boosts Food Processing Capacity and Employment Across India

PLISFPI Drives Growth in Domestic Manufacturing and Exports of Processed Food

प्रविष्टि तिथि: 12 DEC 2025 2:10PM by PIB Delhi

170 applications have been approved under various categories of the Production Linked Incentive scheme for Food Processing Industries (PLISFPI) till Sept. 2025.

The scheme has led to increase in food processing capacity of 35.00 lakh MT per annum in the Country.

About 3.39 Lakhs, both Direct and Indirect employment, have been generated so far under the PLISFPI. The data on farmers benefited under the scheme is not maintained.

The incentives under the PLISFPI are admissible where the entire chain of manufacturing processes, including primary processing, of the food products applied for coverage under the scheme takes place in India. Total export of agricultural processed food products approved under PLISFPI has increased with a CAGR of 13.23% as on 2024-25 with reference to 2019-20.

This information was given by the Minister of State for Food Processing Industries Shri Ravneet Singh in a written reply in Rajya Sabha today.
