Ministry of Information & Broadcasting has introduced several key initiatives aimed at strengthening India's position as a preferred global shooting destination.

A significant move in this direction is the India Cine Hub (ICH) portal, a one-stop platform for domestic and international filmmakers to apply for filming permissions. ICH facilitates filmmakers to identify filmic/non-filmic resources and diverse shooting locations across India, including Mithila, Nalanda, Gaya etc.

This Information was submitted by the Minister of State for Information and Broadcasting Dr. L. Murugan in the Rajya Sabha today in response to questions asked by Shri Sanjay Kumar Jha.
