

Akashvani Operates 591 Broadcasting Stations, Expanding Nationwide Public Radio Outreach

प्रविष्टि तिथि: 18 DEC 2025 12:50PM by PIB Delhi

Presently, 591 broadcasting stations of Akashvani are operational across the country. Out of these, 230 stations have a studio facility for producing and broadcasting original programmes.

Remaining, 361 stations relay programmes of other Akashvani Kendras for enhancing the outreach of the broadcasts.

State-wise details of these broadcasting stations are available on the website <https://prasarbharati.gov.in>

One 100W FM Relay Station at Bhilwara (commissioned on 28.04.2023 as a relay station) relays Vividh Bharati Service.

Akashvani Udaipur has studio facilities for production and broadcasting of programmes. It produces programmes in a local window on Vividh Bharati Service (FM).

The relay stations of Prasar Bharati including Akashvani Bhilwara have been set up throughout the country with the mandate to rebroadcast programmes produced by other Akashvani stations.

This ensures optimal utilisation of technical and human resources and wider public reach of public broadcasting, thereby maintaining programme quality.

This Information was submitted by the Minister of State for Information and Broadcasting Dr. L. Murugan in the Lok Sabha on 17-12-25.
