Theme of Summit is “Restoring balance: The science and practice of health and well-being”

प्रविष्टि तिथि: 18 DEC 2025 4:21PM by PIB Delhi

Prime Minister Narendra Modi will participate in the closing ceremony of Second WHO Global Summit on Traditional Medicine, on 19th December 2025 at 4:30 PM at Bharat Mandapam, New Delhi. Prime Minister will also address the gathering during the closing ceremony. The programme underscores India's growing leadership and pioneering initiatives in shaping a global, science-based and people-centred Traditional Medicine agenda.

Prime Minister has constantly emphasised for mainstreaming traditional medicine and Indian Knowledge System through research, standardisation, and global collaboration. In line with this vision, during the programme, Prime Minister will launch several landmark Ayush initiatives including My Ayush Integrated Services Portal (MAISP), a master digital portal for the Ayush sector. He will also unveil the Ayush Mark, which is envisioned as a global benchmark for quality of Ayush products and services.

On the occasion, Prime Minister will release the WHO technical report on training in Yoga and the Book “From Roots to Global Reach: 11 Years of Transformation in Ayush”. He will also release a commemorative postal stamp on Ashwagandha, symbolising the global resonance of India's traditional medicinal heritage.

Prime Minister will also inaugurate the new WHO-South East Asia Regional Office complex in Delhi, which will also house the WHO India Country Office, marking a significant milestone in India's partnership with the World Health Organization.

Prime Minister will felicitate the recipients of the Prime Minister's Awards for Outstanding Contribution to the Promotion and Development of Yoga for the years 2021–2025, recognising their sustained dedication to Yoga and its global promotion. The awards reaffirm Yoga as a timeless practice for balance, well-being, and harmony, contributing to a healthier and stronger New India.

Prime Minister will also visit the Traditional Medicine Discovery Space, an exhibition which showcases the diversity, depth and contemporary relevance of Traditional Medicine knowledge systems from India and across the world.

Jointly organised by the World Health Organization (WHO) and the Ministry of Ayush, Government of India, the Summit is being held from 17 to 19 December 2025 under the theme “*Restoring balance: The science and practice of health and well-being*” at the Bharat Mandapam, New Delhi. The summit witnessed intensive deliberations among global leaders, policymakers, scientists, practitioners, Indigenous knowledge holders and civil society representatives on advancing equitable, sustainable and evidence-driven health systems.
