The Prime Minister, Shri Narendra Modi, shared a Sanskrit Subhashitam that reflects the timeless wisdom of Indian thought. The verse conveys that just as trees bearing fruits and flowers satisfy humans when they are near, in the same way, trees provide all kinds of benefits to the person who plants them, even while living far away.

The Prime Minister posted on X;

“पुष्पिता: फलवन्तश्च तर्पयन्तीह मानवान्।

वृक्षदं पुत्रवत् वृक्षास्तारयन्ति परत्र च॥”
