

Prime Minister hails the announcement of nine new Amrit Bharat Express trains

प्रविष्टि तिथि: 14 JAN 2026 6:51PM by PIB Delhi

The Prime Minister, Shri Narendra Modi has said that the new Amrit Bharat trains mark a significant step in improving passenger comfort and connectivity across the country.

Responding to a thread on X by Union Minister for Railways, Shri Ashwini Vaishnaw, on the flagging off of nine new Amrit Bharat Express trains on various routes, the Prime Minister noted the broader benefits of this initiative.

The Prime Minister stated that, apart from enhancing passenger experience and connectivity, the new Amrit Bharat trains will also help in boosting commerce and tourism.

Union Minister for Railways, Shri Ashwini Vaishnaw, announced on X that nine new Amrit Bharat Express trains will be flagged off soon, further expanding the network of modern passenger trains across the country.

The new services will connect Assam with Haryana and Uttar Pradesh, while multiple routes will link West Bengal with Tamil Nadu, Karnataka, Maharashtra, New Delhi and Uttar Pradesh, significantly strengthening inter-state rail connectivity across eastern, northern, southern and western regions of India.

Responding to the thread posts on X, Shri Modi posted;

“The new Amrit Bharat trains mark a significant step in improving passenger comfort and connectivity. Other benefits include boosting commerce and tourism!”
