

WaveX Invites Applications for India AI Impact Summit 2026

India AI Impact Summit 2026 to Spotlight AI Solutions in Media, Entertainment and Emerging Technologies

WaveX to Provide Business Networking and Exhibition Space for AI Startups

प्रविष्टि तिथि: 30 JAN 2026 4:18PM by PIB Delhi

WaveX has invited applications from startups for **participation in the India AI Impact Summit 2026**, to be organised by the Ministry of Electronics and Information Technology (MeitY), Government of India, from **16th to 20th February 2026** at Bharat Mandapam, New Delhi. The Summit will serve as a key national platform for showcasing innovative Artificial Intelligence (AI) solutions and fostering collaboration across India's rapidly growing AI ecosystem.

As part of the Summit, **WaveX will facilitate a dedicated Startup Exhibition Programme**, enabling selected startups to showcase their AI-driven products and solutions to a diverse national and international audience. Startups operating in the AVGC-XR segment and working on AI-driven products will be provided with dedicated showcase and business networking opportunities at the MIB Pavilion during the AI Impact Summit.

The **MIB Pavilion** will serve as a central hub for showcasing cutting-edge and emerging AI technologies in the media and entertainment sector, enabling innovators to engage with policymakers, industry leaders, investors, and global stakeholders, and fostering collaboration across the creative and technology ecosystem.

The **India AI Impact Summit 2026** is expected to play a significant role in strengthening India's AI innovation ecosystem by facilitating structured engagement between startups and key stakeholders.

About WaveX

WaveX is the dedicated startup accelerator platform under the Ministry of Information & Broadcasting's WAVES initiative, focused on fostering innovation in the media, entertainment, and language technology ecosystem. Launched to support India's next generation of creative and technology-driven startups, WaveX serves as a bridge between innovators, government institutions, and industry leaders. WaveX continues to support breakthrough ideas through focused hackathons, structured incubation programs, mentorship, and integration with national platforms. To ensure a strong and seamless incubation ecosystem, WaveX has partnered with T-Hub Hyderabad and IIT Delhi, operating across nine incubation centres in India: IICT Mumbai, FTII Pune, SRFTI Kolkata, IIMC Delhi, IIMC Aizawl, IIMC Amravati, IIMC Dhenkanal, IIMC Kottayam, and IIMC Jammu.
