

Prime Minister shares an article on how carbon capture can power India's next steel revolution

Posted On: 11 FEB 2026 1:46PM by PIB Delhi

The Prime Minister, Shri Narendra Modi, shared an article on how carbon capture can power India's next steel revolution, written by Union Minister Shri HD Kumaraswamy. "Union Minister Shri HD Kumaraswamy writes how our guided efforts towards Net Zero 2070 commitment, strategic investments, hydrogen initiatives and a lot more shall drive growth, global competitiveness and lead the road to a Viksit Bharat!", Shri Modi stated.

In a response to Union Minister Shri HD Kumaraswamy, Shri Modi posted on X:

"Carbon capture can power India's next steel revolution. Union Minister Shri @hd_kumaraswamy writes how our guided efforts towards Net Zero 2070 commitment, strategic investments, hydrogen initiatives and a lot more shall drive growth, global competitiveness and lead the road to a Viksit Bharat!

Do read the article for more insights..."
