

HERITAGE RESTORATION PROJECTS BY ASI AND INDIAN NATIONAL TRUST FOR ART AND CULTURAL HERITAGE (INTACH)

Posted On: 12 FEB 2026 1:50PM by PIB Delhi

There are 3686 Centrally Protected Monuments/Sites under the jurisdiction of Archaeological Survey of India (ASI) across the country. Conservation and maintenance are regular processes and taken up as per the need of monument/sites and availability of resources as per the National Policy for Conservation. The allocation and expenditure for these Monuments/Sites during the last three years are given as under:

(Amount Rs. in Crores)

Sl. No.	Year	Allocation	Expenditure
1.	2022-23	392.71	391.93
2.	2023-24	443.53	443.53
3.	2024-25	313.43	313.04

The details of heritage restoration projects undertaken by Indian National Trust for Art and Cultural Heritage (INTACH) during the last three years are attached as **Annexure-I**; as per information received from INTACH.

To collaborate with private entities for restoration of heritage structures, there is a provision under the National Culture Fund (NCF).

NCF, a trust under Ministry of Culture, Govt. of India, serves as a financing mechanism for enabling-donor/sponsor institution to support Protection, Restoration, Conservation and Development of India's rich tangible and intangible culture and heritage (Monuments/Cultural Traditions) directly as partners with the Government.

ASI undertakes heritage conservation using traditional methodology keeping in mind the authenticity and integrity of the heritage structure to enhance visitor experience. ASI also engages local artisans in heritage conservation thus giving employment opportunity to the locals.

Annexure-I
