

Distribution of Agricultural Drones under Nammo Drone Didi Scheme

Posted On: 13 FEB 2026 6:54PM by PIB Delhi

The Government has approved 'Nammo Drone Didi' as Central Sector Scheme for providing drones to the Women Self Help Groups (SHGs) with an outlay of Rs. 1261 Crores for the period from 2023-24 to 2025-26. As per the information provided by the Department of Fertilizers, Lead Fertilizer Companies (LFCs) have distributed 1094 drones to drone didis of SHGs in 2023-24 using their internal resources. Out of these 1094 drones distributed, 500 drones have been distributed under the Nammo Drone Didi Scheme. The drone didis provided with the drones have been trained as drone pilots at various Remote Pilot Training Organizations (RPTOs) authorized by Directorate General of Civil Aviation (DGCA). The State-wise number of drones distributed to SHGs by the LFCs as on January 2026 and the members of SHGs given drone pilot training is indicated in Annexure-I.

Agricultural Development and Rural Transformation Centre (ADRTC), Bangalore have carried out a study on economics and business viability of drone operations on these 500 drones provided by LFCs under Nammo Drone Didi scheme. The study indicates that the SHGs earlier were primarily engaged in agriculture and allied activities and the drones provided to them has expanded their niche to modern agricultural practices through drone technology, enhancing their efficiency and productivity. Overall, the adoption of drones has diversified SHG activities, improved agricultural practices, and increased income opportunities for women in rural communities.
