

PM shares an article by President of Serbia highlighting how India AI Impact Summit places India firmly at the centre of the global discourse on artificial intelligence

Posted On: 17 FEB 2026 7:57PM by PIB Delhi

Prime Minister Shri Narendra Modi today welcomed the recognition accorded to India's leadership in artificial intelligence, as expressed by the President of Serbia, H.E. Mr. Aleksandar Vučić. In his message, the Serbian President emphasized that the India AI Impact Summit is more than a conference—it is a defining moment that firmly positions India at the centre of the global dialogue on artificial intelligence.

The PMOIndia handle on X stated:

“President @predsednikrs of Serbia writes that the India AI Impact Summit is more than a conference. He elaborates how the Summit places India firmly at the centre of the global discourse on artificial intelligence.”

“A fine article by President Aleksandar Vučić of the Republic of Serbia, in which he talks about AI, of course, but at the same time highlights his fondness for India, India's strides in AI and strong India-Serbia relations! @predsednikrs”
