

Prime Minister highlights India's Role in Global AI Revolution at AI Impact Summit in ANI Interview

Posted On: 18 FEB 2026 9:51AM by PIB Delhi

As India hosts the prestigious AI Impact Summit in Delhi, Prime Minister Shri Narendra Modi shared his vision on the transformative potential of Artificial Intelligence and India's pivotal role in shaping the global AI revolution.

In an exclusive interview with ANI, the Prime Minister underscored India's unique position as a hub of innovation, talent, and ethical leadership in the AI era.

In a post on X, Shri Modi wrote:

“As India hosts the AI Impact Summit in Delhi, I've shared my thoughts on the transformative potential of AI, the role India can play in the AI revolution and more in this interview with ANI.”
