President of Swiss Confederation is paying a two-day visit to India to participate in the AI Impact Summit, 2026 from 19–20 February 2026 in New Delhi.

The two leaders reaffirmed the friendly and multifaceted relationship between India and Switzerland. They reviewed the full spectrum of bilateral relations, including trade and investment, science & technology, innovation, skill development, cultural exchanges, and people-to-people ties. They also exchanged views on the regional and global issues of interest.

Both the leaders welcomed the deepening of economic ties and underscored the positive momentum generated by the implementation of recently concluded historic India - EFTA Trade and economic Partnership Agreement (TEPA) between India the European Free Trade association (EFTA), of which Switzerland is a key member. TEPA holds immense potential for significantly expanding trade and investment flows between the two countries.

Both sides agreed to further strengthen collaboration in innovation-led growth, joint research, sharing of best practices, and capacity building through training and skill development initiatives. The meeting concluded with a shared vision to elevate the India – Switzerland partnership to new heights.

Prime Minister welcomed the Initiative of Switzerland to host the next AI Summit, to be followed by the UAE.
