

Prime Minister shares Sanskrit Subhashitam highlighting India's growing leadership in technology and innovation

Posted On: 23 FEB 2026 8:02AM by PIB Delhi

The Prime Minister, Shri Narendra Modi said that the historic AI Summit held in Delhi witnessed widespread global appreciation for India's capabilities. He noted that it reflects how the forward-looking mindset of India's youth in the field of technology can greatly benefit humanity.

The Prime Minister shared a Sanskrit Subhashitam on the occasion-

“अविज्ञातस्य विज्ञानं विज्ञातस्य च निश्चयः। आरम्भः कर्मणां शश्वदारब्धस्यान्तदर्शनम्॥”

The Subhashitam conveys that Experimentation and research are essential to discovering unknown knowledge. Judgment and analysis of known facts are the beginning of research, and that knowledge is verified through experience and observation.

The Prime Minister wrote on X;

“दिल्ली में हुए ऐतिहासिक AI समिट में पूरी दुनिया ने भारत के सामर्थ्य की जमकर सराहना की है। इससे पता चलता है कि टेक्नोलॉजी को लेकर हमारे युवा साथियों की सोच पूरी मानवता के बहुत काम आने वाली है।

अविज्ञातस्य विज्ञानं विज्ञातस्य च निश्चयः।

आरम्भः कर्मणां शश्वदारब्धस्यान्तदर्शनम् ।।”
