

Prime Minister lauds milestone of 30 lakh households adopting rooftop solar under PM Surya Ghar scheme

Posted On: 23 FEB 2026 8:41PM by PIB Delhi

The Prime Minister, Shri Narendra Modi today hailed the achievement of empowering 30 lakh households across the nation with rooftop solar power, describing it as a commendable milestone in India's clean energy journey.

The Prime Minister complimented all beneficiaries who have embraced rooftop solar, noting that the initiative is boosting savings, sustainability and self-reliance among citizens.

Shri Modi further emphasised that the scheme forms an integral part of the Government's efforts to build an energy-secure, green and future-ready India.

Responding to a post by Union Minister, Shri Pralhad Joshi, the Prime Minister posted;

“A commendable milestone in India's clean energy journey!

Compliments to all those who have benefitted from this scheme and embraced rooftop solar power thereby boosting savings, sustainability and self-reliance.

This scheme is a part of our efforts to build an energy-secure, green and future-ready India.
