PM to distribute over 21,800 appointment letters to newly recruited youth in Government departments and organizations in Rajasthan

Posted On: 27 FEB 2026 3:35PM by PIB Delhi

Prime Minister Shri Narendra Modi will visit Ajmer, Rajasthan on 28 February 2026. At around 11:30 AM, the Prime Minister will launch, inaugurate and lay the foundation stone of multiple development projects worth over ₹16,680 crore. He will also address a public gathering on the occasion. The projects span key sectors including urban development, drinking water supply, roads, irrigation, energy, industrial infrastructure.

In a major step towards strengthening preventive healthcare and advancing women's well-being, the Prime Minister will launch a nationwide campaign for Human Papillomavirus (HPV) vaccination for girls aged 14 years. This initiative aims to prevent cervical cancer, which is one of the leading causes of cancer related morbidity in women and marks a significant milestone in safeguarding the long-term health of girls and women across the country.

Providing a major boost to road connectivity, Prime Minister will inaugurate several National Highways projects, including the 4-lane greenfield expressway from Bandikui to Jaipur, 6-lane access controlled green highway in package 7 section of Amritsar-Jamnagar Economic Corridor and the 8-lane carriageway in package 14 section of the Delhi-Vadodara Access Controlled Greenfield Expressway, among others. He will also lay the foundation stone of 4-lane Elevated Road in Jodhpur City, Malabmori-Mangrol-Baran State Highway in Baran district among others.

In line with the Government's commitment to ensuring safe and clean drinking water for all, the Prime Minister will lay the foundation stone for four packages of the Nonera Major Drinking Water Project and five packages of the Parwan Akawad Major Drinking Water Project.

To strengthen renewable energy infrastructure and ensure seamless transmission from generation hubs in Rajasthan, Prime Minister will inaugurate transmission systems for evacuation of power from Renewable Energy Zones (REZ) in Rajasthan. He will also lay the foundation stone for five 220 KV Grid Substations and two 400 KV Grid Substations along with associated transmission lines.

Furthering his commitment to employment generation and youth empowerment, Prime Minister will distribute more than 21,800 appointment letters to newly recruited youth in various Government departments and organisations in Rajasthan.

MJPS/Dr. Pavan Khedkar
