The Prime Minister, Shri Narendra Modi, addressed a public gathering in Ajmer today, marking a significant milestone in Rajasthan's development journey. The Prime Minister paid homage to the cultural and heroic legacy of the region, including the Tejaji Dham of Sursura and the bravery of Major Dalpat

Singh, whose role in liberating Haifa is still honored in Israel.”

The Prime Minister expressed satisfaction that the "double-engine government" in Rajasthan has completed two years of rapid progress. “The government is fulfilling the promises of development with which it came to serve the people. And today is a day to further accelerate this campaign of development.” emphasised Shri Modi. The Prime Minister further highlighted that today’s event saw the inauguration and foundation stone laying of projects worth approximately ₹17,000 crore across sectors including roads, electricity, water, health, and education, which are set to increase the convenience of the people of Rajasthan and create immense employment opportunities for the youth.

Shri Modi noted a new era for the state’s youth as appointment letters were handed over to more than 21,000 new recruits today. Furthermore, the Prime Minister launched the nationwide HPV vaccination campaign from Ajmer, describing it as a pivotal step toward empowering India’s ‘Nari Shakti’ (women power) and ensuring the health of mothers and daughters. “We all know that when a mother falls ill in the family, the house feels scattered. If the mother is healthy, the family remains capable of facing every crisis. With this sentiment the government has run many schemes to provide support to women.” Shri Modi highlighted.

The Prime Minister detailed the government’s sensitive approach to women’s health and dignity, citing the successful implementation of "mission mode" solutions for toilets, sanitary pads, and the Ujjwala Gas Scheme. He also mentioned the safe motherhood scheme that deposits ₹5,000 into the accounts of sisters to ensure nutritious food during pregnancy, moving away from a culture of neglect to one of sensitivity.

Focusing on infrastructure, the Prime Minister stated that modern connectivity through roads, rail, and air is changing the destiny of Rajasthan. He highlighted how improved travel facilitates tourism in places like Ajmer-Pushkar, directly supporting local businesses, artisans, and taxi drivers. “The infrastructure being built around the Delhi-Mumbai Industrial Corridor is turning Rajasthan into a "land of opportunities" for global investment, " Shri Modi said.

Reflecting on India's rising global stature, Shri Modi spoke about the world's largest AI Summit held in Delhi, recently and his visit to Israel, where India’s progress and valor were praised. Shri Modi said, “Prime ministers and presidents of many countries of the world came to it; the heads of big companies came; everyone praised India with an open mind”.

Highlighting the success of India's Armed forces In the last 11 years, Shri Modi said, “ the Indian Army has dealt a heavy blow to terrorists and the enemies of the country on every front. Our army has been victorious in every mission, on every front. From surgical strikes to Operation Sindoor, they proved their mettle”.

Addressing long-standing farmer grievances, the Prime Minister noted the current government is committed to bringing the ERCP project to life. He emphasized that the campaign to interlink rivers, including the modified ‘Parvati-Kalisindh-Chambal’ and ‘Yamuna-Rajasthan’ link projects, will provide certain and significant benefits to the farmers of Jhalawar, Baran, Kota, and Bundi.

The Prime Minister highlighted Rajasthan’s potential to earn prosperity from the sun. Under the PM Surya Ghar Free Electricity Scheme, the government provides ₹78,000 in assistance for installing rooftop solar panels. With over 1.25 lakh families already joined in Rajasthan, many households are seeing their electricity bills drop to nearly zero. Shri Modi concluded by reiterating the mantra of "Developed India from Developed Rajasthan," envisioning a prosperous life for every family in the state.
