

Shri Jyotiraditya M. Scindia to Lead India's Participation at Mobile World Congress 2026 in Barcelona, Spain

Bharat Pavilion to be Inaugurated; IMC 2026 Curtain Raiser to be Unveiled

Union Minister to Address GSMA Ministerial Program at Ministerial Stage on "Breaking the Cost Barrier" and Keynote Presentation in Session: Built for What's Next at Main Stage

High-Level Bilaterals, Global CEO Interactions and Strategic Industry Engagements Mark Visit

Posted On: 01 MAR 2026 12:35PM by PIB Delhi

The Union Minister for Communications, Shri Jyotiraditya M. Scindia, will represent India at the Mobile World Congress (MWC) 2026, scheduled from March 2 to March 5, 2026, in Barcelona, Spain. The Congress is among the world's largest and most influential technology and telecommunications gatherings.

During the visit, the union minister will inaugurate the Bharat Pavilion at MWC 2026, providing a global platform to showcase India's growing telecom manufacturing capabilities and innovation ecosystem. He will also unveil the curtain raiser of India Mobile Congress (IMC) 2026, highlighting India's flagship digital technology forum.

The union minister is scheduled to deliver an address in the GSMA Ministerial program at the Main Stage Session titled "Built for What's Next," where global leaders will deliberate on future-ready digital infrastructure and emerging technology frameworks. He will also deliver the Closing Keynote Session on "Breaking the Cost Barrier" at the GSMA Ministerial Stage, focusing on affordable, inclusive, and scalable digital connectivity models for the world.

As part of his engagements, Shri Scindia will interact with global CEOs at a CEO dinner hosted by India, underlining India's commitment to collaborative innovation and trusted partnerships.

The union minister will also have focused booth visits and technology demonstrations at leading global and Indian companies.

In addition, the union minister will visit the booth of Tejas Networks for the launch of the T31600-D3 Hyper-scalable DCI Platform, marking a significant milestone in India's advanced telecom product development.

Shri Scindia will also hold high level bilateral meetings with various stake holders from the telecom sector to explore cooperation in universal meaningful connectivity and resilient communication infrastructure.

The Minister's participation at MWC 2026 underscores India's growing stature as a global leader in the digital and mobile ecosystem. Through strategic engagements with governments, industry leaders and technology innovators, the visit aims to deepen international partnerships, attract investment and strengthen India's role in shaping secure, inclusive, and future-ready digital networks worldwide.
