CP-18/1/2023-IPC-VI-HO-CPCB-HO

Date: 25.03.2025

To

The Chairman
State Pollution Control Board/Pollution Control Committee
(As per the list)

**Sub: Directions under section 18(1)(b) of the Water (Prevention & Control of Pollution) Act, 1974 and the Air (Prevention & Control of Pollution) Act, 1981 regarding harmonization of classification of industrial sectors under Red, Orange, Green, White and Blue categories.**

WHEREAS, under section 16 (2)(b) of the Water (Prevention and Control of Pollution) Act, 1974 and under Section 16 (2)(c) of the Air (Prevention & Control of Pollution) Act, 1981, one of the functions of the Central Pollution Control Board (CPCB), constituted under the Water (Prevention and Control of Pollution) Act, 1974, is to coordinate activities of the State Pollution Control Boards (SPCBs) and Pollution Control Committees (PCCs); and

WHEREAS, under section 16 (2)(c) of the Water (Prevention and Control of Pollution) Act, 1974 and under Section 16 (2)(d) of the Air (Prevention & Control of Pollution) Act, 1981, one of the functions of the CPCB is to provide technical assistance and guidance to SPCBs and PCCs; and

WHEREAS, CPCB has classified a total of 419 sectors into Red (125), Orange (137), Green (94), White (54) and Blue (9) category, by following a revised methodology based on PI index by assigning equal weightage to scores arising due to Water, Air and Hazardous waste, hereafter referred as Classification-2025. In this revised Classification, a new Blue Category has also been introduced to distinguish the Essential Environmental Services required for management of environmental concerns arising from anthropogenic pollution due to domestic/household activities which otherwise will have large littering potential. CPCB, vide letter dated 12.02.2025, issued directions to all SPCBs/PCCs for adoption and implementation of Classification-2025.

WHEREAS Compressed Biogas (CBG/Bio-CNG) plants, divided into 5 sub sectors, were classified under Red, Orange and White categories, based on respective Pollution Index scores, as per Classification 2025.

WHEREAS, a need was felt to revisit the classification of Compressed Biogas (CBG/Bio-CNG) plants based on the representations received for reclassification of the said sector. The Committee constituted for classification of sectors examined the representation, feed stock

'परिवेश भवन' पर्वी अर्जुन नगर, दिल्ली-110032

दूरभाष/Tel : 43102030, 22305792, वेबसाईट/Website : www.cpcb.nic.in

material as well as production of by-products in the CBG plants, during its meeting held on 17.03.2025. CBG plants based on various feedstock like MSW, agro-residue, energy crops/grass/weeds, etc. apart from industrial/ process waste have littering potential and thus such feed stock based CBG plants may be considered under blue category. The Committee finalized the reclassification of CBG plants by classifying it into 5 sub-sectors under Red, Blue and White categories based on respective Pollution Index scores, as per Classification 2025 as given in **Annexure -I**.

**NOW, THEREFORE**, in the exercise of the powers delegated under Section 18(1)(b) of the Water (Prevention & Control of Pollution) Act, 1974 and Section 18(1)(b) of the Air (Prevention & Control of Pollution), Act, 1981, all SPCBs and PCCs are directed to adopt the revised Classification of CBG plants as given in **Annexure -I**

**Encl.** As above.

**(Bharat Kumar Sharma)**
Member Secretary
