Notice to Engineering candidates for MEO Class IV examination March 2026

The MEO Class IV written examination seat booking was deferred and did not commence from 1st March as per norm, in anticipation of transition to the new module being developed for the examination assessment and seat booking. While our team has been working on this implementation, we have encountered unexpected integration issues with legacy systems.

As a result, we have adjusted our timeline to ensure the solution meets our quality standards & functions optimally upon launch. It is hereby informed that the MEO Class IV Seat booking for the month of March 2026 shall be available on the existing E-pariksha portal as per the schedule below:

MEO CLASS IV	Through E-pariksha system	06-March 2026 11:00 hrs to 10-March 2026 15:00 hrs

This is issued with the approval of the Chief Examiner of Engineers.
