ANSWER

**MINISTER OF STATE IN THE MINISTRY OF CORPORATE AFFAIRS AND MINISTER OF
STATE IN THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS**

[SHRI HARSH MALHOTRA]

(a) & (b): On the basis of annual filings made by companies in the MCA21 registry, State-wise CSR expenditure in India, district-wise & development Sector-wise CSR expenditure in Himachal Pradesh during the last five Financial Years i.e. FY 2020-21 to FY 2024-25 is at Annexure-I, Annexure-II & Annexure-III respectively. The Ministry does not maintain parliamentary constituency wise CSR data and the completion status of CSR project centrally.

(c) to (d): Under the Companies Act, CSR is a Board driven process and the Board of the company is empowered to plan, decide, execute and monitor CSR activities of the company based on the recommendation of its CSR Committee. This Committee formulates and recommends the CSR policy, which outlines the activities to be undertaken by the company in alignment with the areas or subjects specified in Schedule VII of the Act. The first proviso to Section 135 (5) of the Act provides that the company shall give preference to the local area and areas around it where it operates. However, the emphasis on local area is only directory and not mandatory in nature and companies need to balance local area preference with national priorities. The Government does not issue any specific direction to the companies to spend in any particular geographical area or for any particular activity.
