ANSWER

MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE
(SHRI KIRTI VARDHAN SINGH)

(a) & (b)

The Ministry of Environment, Forest and Climate Change (MoEF&CC) implements various Centrally Sponsored and Central Sector Schemes across the country, including Maharashtra and Madhya Pradesh, for conservation of forests, wildlife and climate change. These include the National Mission for a Green India (GIM), Integrated Development of Wildlife Habitats (IDWH), Project Tiger through the National Tiger Conservation Authority (NTCA), and the National Action Plan on Climate Change (NAPCC). The National Afforestation Programme (NAP) has been subsumed under GIM since 2018. These schemes are implemented as per the approved operational guidelines and Annual Plans of Operation. The year-wise details of funds allocated, released and utilized are given at **Annexure-I**.

(c) to (e)

The schemes support activities such as afforestation, eco-restoration, soil and moisture conservation, nursery development, habitat improvement, wildlife protection, anti-poaching measures, eco-development, voluntary relocation from critical wildlife habitats, human-wildlife conflict mitigation, protection infrastructure, strengthening of frontline staff, and implementation of adaptation

and mitigation activities under NAPCC. They are implemented by the respective State Governments through their Forest Departments and other designated agencies. District-wise details of works, employment generated, beneficiaries covered, and information on implementing agencies and forest divisions are not maintained centrally by the Ministry.
