STARRED QUESTION NO. 295* FOR 7TH AUGUST, 2026**

(a) to (d) Pradhan Mantri Ayushman Bharat Health Infrastructure Mission (PM-ABHIM), a Centrally Sponsored Scheme (CSS) with certain Central Sector (CS) components, aims to strengthen India's public health system through reforms that integrate health service delivery, public health action and health research, thereby enhancing the capacity of public health systems to effectively respond to pandemics and other public health emergencies.

Under the CSS component of the scheme, administrative approvals have been accorded to all States/Union Territories for an amount of Rs. 32,961.10 crore for construction/strengthening and establishment of 11001 Building-less Sub Health Centre–Ayushman Arogya Mandirs (SHC-AAMs), 5456 Urban Ayushman Arogya Mandirs (U-AAMs), 2151 Block Public Health Units (BPHUs), 744 Integrated Public Health Laboratories (IPHLs) and 631 Critical Care Blocks (CCBs). The State/Union Territory-wise detailed status is placed at **Annexure-I**.

As per the information provided by the Government of Uttar Pradesh, in Baghpat Parliamentary Constituency, one Critical Care Block (CCB) at a cost of Rs. 2375 lakh, one Integrated Public Health Laboratory (IPHL) at a cost of Rs. 125 lakh and four Block Public Health Units (BPHUs) at a cost of Rs. 323.84 lakh have been approved under PM-ABHIM. An amount of Rs. 2,823.84 lakh has been approved for the above projects, against which Rs. 1,802.74 lakh has been released and an expenditure of Rs. 1,787.52 lakh has been reported by the State.

Under PM-ABHIM, funds are released to States/Union Territories on a lump-sum basis based on approved activities, enabling them to utilize the funds as per their assessed needs and priorities. The State/ Union Territory-wise details of Central Release and Expenditure under PM-ABHIM since inception, are placed at **Annexure-II**.

Public Health and Hospitals is a State subject and implementation of the scheme is the responsibility of the respective State/Union Territory Governments. Monitoring under PM-ABHIM is carried out through a robust, multi-layered framework that includes review of State-wise Key Deliverables against approved targets during NPCC meetings with all States/Union Territories, monthly review meetings with States/Union Territories and regular assessment of performance through the Output–Outcome Monitoring Framework (OOMF). In addition, annual Common Review Missions (CRMs) provide independent, on-ground assessments of programme implementation, health system strengthening, and progress on key indicators, enabling identification of gaps, course correction, and strengthening of accountability at State and District levels.
