MINISTRY OF FINANCE
DEPARTMENT OF INVESTMENT AND PUBLIC ASSET MANAGEMENT
LOK SABHA
UNSTARRED QUESTION NO. 3577

TO BE ANSWERED ON MONDAY, AUGUST 10, 2026,
SHRAVANA 19, 1948 (SAKA)

Disinvestment and Asset Monetisation

3577. Shri Naveen Jindal:

Will the Minister of Finance be pleased to state:

(a) the details of the disinvestment target set for 2025-26 and the amount actually realised;
(b) the details of the Public Sector Units (PSUs) where disinvestment is proposed in 2026-27; and
(c) the progress made under the National Monetisation Pipeline?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE
(SHRI PANKAJ CHAUDHARY)

(a): As per Revised Estimates during FY 2025-26, an amount of Rs. 33,837 crore was kept under Miscellaneous Capital Receipts, which includes estimated receipts on account of management of equity investments and monetization of public assets through various mechanisms. Government of India realized an amount of Rs. 45,306.05 core in FY 2025-26, which included Rs 16,885.56 crore from disinvestment and Rs. 28,420.49 crore from Asset Monetization.

(b): For Budget Estimates 2026-27, Rs. 80,000 crore has been kept under Miscellaneous Capital Receipts. Government of India has realized an amount of Rs. 27,568.06 crore as on 05.08.2026, which included Rs 21,201.13 crore from disinvestment through Offer for Sale of Central Bank of India, Coal India Ltd, NHPC Limited, NLC India Limited, General Insurance Corporation of India, Indian Railway Finance Corporation Ltd. & Cochin Shipyard Ltd as well as strategic disinvestment of Indian Medicines Pharaceuticals Corporation Ltd and Rs. 6,366.93 crore from Asset Monetization. Further that, disinvestment is an ongoing process and execution/completion of specific transactions hinges upon market conditions, domestic and global economic outlook, geopolitical factors, investor interest and administrative feasibility and given the market-sensitive nature of the disinvestment transactions, drawing up timeline for disinvestment is not feasible.

(c): The National Monetisation Pipeline 1.0 included assets with monetisation potential of Rs. 6 lakh crore during the period (2021-22 to 2024-25), against which around Rs. 5.3 lakh crore was achieved. Pursuant to the announcement made in the Union Budget 2025-26, the National Monetisation Pipeline 2.0 (NMP 2.0) was launched on February 23, 2026. NMP 2.0 estimated an aggregate monetization potential of Rs. 16.72 lakh crore, including private sector investment of Rs 5.8 lakh crore during the five-year period from FY 2026 to FY 2030. NMP enables recycling of productive public assets, thereby unlocking resources for reinvestment in new projects and capital expenditure.
