ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री जितिन प्रसाद)

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI JITIN PRASADA)**

- (a) to (c):** The primary responsibility for developing the industrial sector rests with the State Governments, which adopt different policy measures to promote industrial development. The Union Government supplements the efforts of the State/UT Governments through various schemes, programmes, and policy initiatives for the overall development and promotion of industry across the country, including in Bihar. These initiatives include the Scheme for Investment Promotion, Ease of Doing Business (EoDB) and initiatives aimed at reducing compliance burden, the Industrial Infrastructure Upgradation Scheme, the Production Linked Incentive (PLI) Scheme, Integrated Manufacturing Clusters (IMCs) under the National Industrial Corridors, Startup India, Make in India, PM Gati Shakti, National Infrastructure Pipeline (NIP), National Single Window System (NSWS), India Industrial Land Bank (IILB), reforms in Foreign Direct Investment (FDI), Project Monitoring Group (PMG).

Govt. of Bihar has informed that Land acquisition for establishment of Industrial Area in Sheohar district, Tariyani block has been taken up in Mauja Salempur area 136.55 acres and Mauja Belahidullah area 117.2372 acres total revised area of 253.78 Acres. Notification under sec11(1) of RFCTLARR Act has been published on 18.07.26.

Ministry of Food Processing Industries (MoFPI), Govt. of India is implementing a centrally sponsored Pradhan Mantri Formalisation of Micro food processing Enterprises (PMFME) Scheme for providing financial, technical and business support for setting up of new/ upgradation of micro food processing enterprises in the country including Sheohar district of Bihar. The scheme provides support of credit-linked grant of 35% of the eligible project cost, seed capital of up to Rs. 40,000, capacity building for beneficiaries, Branding & Marketing and handholding support for the formalization of units.

Further, as on 30th June 2026, loans for 287 micro food processing enterprises have been sanctioned with approved subsidy of Rs. 6.52 crore, for all the products including dairy, milk, agro-based enterprises in Sheohar district of Bihar. The scheme is demand driven and is implemented through State/ UT Governments. Any interested individual/entity may avail the benefit for upgradation of existing or setting up of new micro-food processing facility, in accordance with the scheme guidelines.

The Ministry of Micro, Small and Medium Enterprises (MSME), Govt. of India implements the Micro & Small Enterprises — Cluster Development Programme (MSE-CDP), a demand-driven Central Sector Scheme, to promote the growth and competitiveness of Micro and Small Enterprises (MSEs) across the country. The Scheme provides financial assistance for establishment of Common Facility Centres (CFCs) and Infrastructure Development (ID) projects to facilitate technology upgradation, quality improvement, productivity enhancement, value addition, market access and overall competitiveness of MSEs. Assistance under the Scheme is not sector-specific and is available to eligible Micro and Small Enterprise clusters subject to receipt of eligible proposals from the State Governments/UT Administrations and their approval in accordance with the extant Scheme Guidelines. Presently no such proposal has been received for the industrial area in Salempur and Belahi Dullah villages of Tariyani Block in Sheohar district of Bihar.

Further, Govt. of Bihar has informed that the Bihar Industrial Investment Promotion Package 2025 provides a highly competitive incentive structure, including provisions such as free industrial land for eligible high-value investments, capital subsidy, interest subvention, SGST reimbursement, and export-linked support. This is complemented by several sector-specific policies, including the Bihar Renewable Energy Policy 2025, Biofuels Production Promotion Policy 2025, Export Promotion Policy 2024, Bihar Logistics Policy 2024, Textile and Leather Policy 2022, and Bihar Startup Policy 2022, among others. Together, these policies provide a comprehensive framework for diversified and sustainable industrial growth.
