Will the Minister of STEEL be pleased to state:

- (a) the present status of projects undertaken under the Steel Research and Technology Mission of India (SRTMI);
- (b) the details of technologies developed and commercialised under the Mission during the last three years;
- (c) the amount of funds allocated and utilised thereunder; and
- (d) the benefits accrued to the domestic steel industry from the Mission?

ANSWER

THE MINISTER OF STATE IN THE (SHRI BHUPATHIRAJU SRINIVASA VARMA)
MINISTRY OF STEEL

(a)to(d): Steel Research & Technology Mission of India (SRTMI) is a steel industry driven initiative, registered under Societies Registration Act XXI of 1860, for undertaking collaborative research amongst industry, national R&D laboratories and academic institutions. 16 projects have been undertaken by SRTMI in last 3 years in the areas of ore beneficiation, operational excellence, Artificial Intelligence (AI), Waste Utilization, and Carbon Capture Utilization & Sequestration (CCUS), for which Rs.19 crore has been allocated.
