Note: The data on production is the commercial output for sale and not the actual production.

(d) Organic Certification under NPOP is used mandatorily for exports and also for the domestic market. As per available records, no exports of Organic products, certified under NPOP, have been reported from the State of Sikkim, during the last five years. However, the NPOP certified operators of Sikkim have sold their certified organic products in the domestic supply chain and domestic transactions of around 292 MT of NPOP certified organic products, have been recorded in the last five years. The major transacted products include Green tea, Cardamom, Ginger, Turmeric etc.
