ANSWER

THE MINISTER OF STATE FOR NEW & RENEWABLE ENERGY AND POWER
(SHRI SHRIPAD YESSO NAIK)

(a) & (b) The Uttar Pradesh New and Renewable Energy Development Agency (UPNEDA), the state agency for promotion of renewable energy in the state of Uttar Pradesh has reported following progress under PM Surya Ghar Muft: Bijli Yojana (PMSG: MBY) and other renewable energy schemes in the state of Uttar Pradesh, including in Bareilly district:

S. No.	Scheme	Progress made in Uttar Pradesh	Progress made in Bareilly district
1	PMSG: MBY (Residential Rooftop Solar)	737868 Nos (2484 MW)	29468 Nos (98.17 MW)
2	Non-Residential Rooftop Solar	10138 Nos (475 MW)	9 Nos (5 MW)
3	PM KUSUM (IPS)	8654 Nos (74.32 MW)	154 Nos (1.66 MW)
4	Utility scale Solar Project	3081 MW	-

While the PMSG: MBY and PM KUSUM scheme benefits individual household families and farmer families respectively, the non-residential rooftop benefits the institutions.

(c): In addition to the existing schemes of MNRE such as PMSG: MBY, PM KUSUM, etc., the Government of Uttar Pradesh has also declared Solar Energy Policy-2022. This policy has provisions to promote solar energy generation of utility-scale solar projects, rooftop solar systems, solar parks, solarisation of buildings and other eligible applications, across all districts of Uttar Pradesh, including Bareilly.
