A horizontal film strip graphic with multiple frames. The year '2014' is displayed in the final frame on the right.

A black and white image of a barcode. The barcode consists of vertical black bars of varying widths on a white background. A large, solid black rectangular box is positioned horizontally across the center of the image, completely obscuring the barcode bars and any text that might have been present in that area. The visible parts of the barcode are at the top and bottom of the frame.
