

Presentation of 20th Report of Standing Committee on Coal, Mines and Steel on Demands for Grants (2026-27) of the Ministry of Steel

1. Ministry of Steel (Ministry) : The Ministry of Steel, Government of India, is responsible for the development and regulation of the steel industry in the country. The Ministry has been working towards the growth and modernization of the steel sector, focusing on increasing production, improving quality, and reducing environmental impact. The Ministry has also been involved in various international trade agreements and collaborations to enhance the competitiveness of the Indian steel industry.

(2026-27) The Ministry has submitted its demands for grants for the financial year 2026-27, which are being presented to the Standing Committee on Coal, Mines and Steel for their consideration and recommendations. The demands are based on the Ministry's budgetary requirements and the needs of the steel industry for the upcoming financial year.

(The Ministry has also submitted its demands for grants for the financial year 2026-27, which are being presented to the Standing Committee on Coal, Mines and Steel for their consideration and recommendations. The demands are based on the Ministry's budgetary requirements and the needs of the steel industry for the upcoming financial year.)
