SHRIMATI PRATIMA MONDAL (JAYNAGAR): I would like to suggest that this Bill be referred to the Select Committee and that very community should also be consulted.

SHRI B. MANICKAM TAGORE (VIRUDHUNAGAR): We expressed our willingness in the BAC also and all the Opposition parties have requested the hon. Minister that the Bill should be referred to the Select Committee. We feel that further consultation is needed, and before the Monsoon Session or the Winter Session, we can revisit the matter. We once again request the hon. Minister to take the necessary steps.
