

**Regarding need to provide financial assistance for revival of
Utkal Ayurvedic Pharmacy in Aska Parliamentary
Constituency, Odisha-Laid**

SHRIMATI ANITA SUBHADARSHINI (ASKA): The Utkal Ayurvedic Pharmacy has been serving people by providing Ayurvedic medicines and treatment in my Parliamentary Constituency, ASKA in the district of Ganjam, Odisha since long. The financial condition of the above said organization is not sound enough to serve people and it is at the verge of collapse due to mismanagement. It is making Ayurvedic medicines from roots & herbs of medicinal plants locally available. More than forty families who depend on this pharmacy are deprived of their livelihood. I urge the Ministry of AYUSH to allocate Funds for the revival of Utkal Ayurvedic Pharmacy during current financial year for which people of my Constituency will be obliged.
