The diagram consists of several horizontal bars stacked vertically. The top bar is labeled '2000' on the left and '1800' on the right. Below it are several more bars, some containing numbers like '1900', '1950', '2000', and '2050'. The bars are filled with a pattern of small squares, suggesting a grid or a map. There are also some larger rectangular areas within the bars.
