1. The first step is to identify the **main topic** of the document. This is usually found in the title or the first paragraph.

2. Next, we need to determine the **purpose** of the document. Is it to inform, persuade, or entertain?

3. Then, we should look for the **key points** or **arguments** presented in the text.

4. Finally, we should consider the **conclusion** or **summary** of the document.
