

Regarding new railway station or halt between Supaul and Thumha stations in East Central Railway

1. The Government of India, Ministry of Railways, has received a request from the Government of Bihar regarding the establishment of a new railway station or halt between Supaul and Thumha stations in the East Central Railway zone.

2. The request is based on the fact that the existing railway line between Supaul and Thumha is not adequate to meet the growing demand for passenger and freight traffic in the region.

3. The Government of Bihar has requested the Ministry of Railways to consider the establishment of a new railway station or halt at a location to be determined by the Ministry of Railways.

4. The Ministry of Railways has taken note of the request and is currently conducting a feasibility study to determine the viability of establishing a new railway station or halt in the region.

5. The Ministry of Railways will also consider the impact of the proposed station or halt on the existing railway line and the surrounding area.

6. The Ministry of Railways will keep the Government of Bihar informed of the progress of the study and will take a final decision on the matter as soon as possible.

7. The Ministry of Railways will also consider the request for the establishment of a new railway station or halt at a location to be determined by the Ministry of Railways.

8. The Ministry of Railways will also consider the impact of the proposed station or halt on the existing railway line and the surrounding area.

9. The Ministry of Railways will keep the Government of Bihar informed of the progress of the study and will take a final decision on the matter as soon as possible.

10. The Ministry of Railways will also consider the request for the establishment of a new railway station or halt at a location to be determined by the Ministry of Railways.
