

## Regarding expansion of lanes related to NH-44 and NH-63

**SHRI GODAM NAGESH (ADILABAD):** Hon. Chairperson Madam, through you, I would like to raise an important issue regarding national highways in my parliamentary constituency Adilabad. NH-44 from Nagpur to Hyderabad passes through my constituency. This Highway covers two districts Yavatmal and Wardha in Maharashtra and Adilabad, Nizamabad, Nirmal, Kamareddy, Medak, Malkajgiri, Hyderabad districts in Telangana. This is presently a four-lane national highway which should be expanded to 6 lane highway. Also NH-44 to NH-363 from Gudi Hathnur to Ashwabad Allapalli needs to be developed. NH-44 up to Boraj as we have connectivity from Chandrapur to Mahaurgarh, Mahaur, Mandvi, Karanji and Jandhapur. NH-63 which connects Kalyan and Nirmal need to be developed by expanding it to four lanes.

Through you, I request honourable Prime Minister and honourable minister for Roadways to kindly take note of these very important demands of my constituency. Earlier, the minister has given assurance to fulfil these demands. I want to request honourable Prime Minister and minister for roadways to expand these highways at the earliest. With these words I conclude my speech.
