Rashtriya Ayurveda Vidyapeeth (RAV) successfully organized a two-day intensive hands-on training programme on *Agnikarma* and *Rakta-Mokshana* on 26th–27th February 2026 at the AIAC Seminar Hall, Dhanwantari Bhawan, West Punjabi Bagh, New Delhi.

The programme was graced by several eminent dignitaries from the field of Ayurveda and Indian Systems of Medicine. Distinguished guests included **Dr. Mukul Patel**, President, Medical Assessment and Rating Board for Indian System of Medicine (MARBISM), National Commission for Indian System of Medicine (NCISM), New Delhi; Dr. Hemant Panigrahi, Incharge Director, Central Ayurveda Research Institute (CARI), New Delhi; Dr. Ravi Gogia, Medical Officer, MCD Gianchand Joshi Ayurvedic Panchkarma Hospital, New Delhi; Dr. Chandramouleeswaran P., Principal, Government Ayurveda College and Hospital, Coimbatore; and Dr. Santosh Bhatted, Head of the Department of Panchkarma, All India Institute of Ayurveda (AIIA), New Delhi.

The training programme focused on providing participants with intensive practical exposure, live clinical demonstrations, and in-depth insights into the specialized para-surgical Ayurvedic therapies of *Agnikarma* and *Rakta-Mokshana*. The sessions were designed to enhance hands-on skills and clinical competence among practitioners and scholars.

The initiative significantly strengthened the clinical capabilities of participating professionals and reaffirmed RAV's continued commitment to excellence in Ayurvedic education, skill development, and the promotion of classical therapeutic practices.
