The Prime Minister, Shri Narendra Modi, extended his greetings to the nation on International Women's Day and paid tribute to the strength, determination and achievements of India's Nari Shakti.

The Prime Minister greeted women across the country and acknowledged their growing role in shaping India's progress. He said that across every field, women are contributing with determination, creativity and unmatched zeal, and that their achievements inspire the nation while strengthening the collective resolve to build a Viksit Bharat.

Highlighting the Government's commitment towards women-led development, the Prime Minister noted that empowerment of women lies at the core of several schemes and initiatives of the Government. He reiterated that the Government remains committed to creating opportunities that enable every woman to realise her full potential and contribute to India's journey of development.

The Prime Minister further remarked that the achievements of India's Nari Shakti are a source of pride for the nation and a powerful reminder of the transformative role played by women in nation building. He added that as India progresses further, the aspirations and contributions of women will continue to guide the country's collective journey towards a strong and prosperous nation.

Shri Modi also shared a glimpse of how the lives of women at the grassroots have been transformed over the past decade, highlighting the impact of initiatives aimed at empowering women across the country.

In a series of X posts, Shri Modi said;

“On International Women's Day, I extend my greetings to all our Nari Shakti.

Across every field, women are shaping India's progress with determination, creativity and unmatched zeal. Their achievements inspire our nation and strengthen our collective resolve to build a Viksit Bharat.

Empowerment of women is at the core of our various schemes and initiatives. We remain committed to creating opportunities that enable every woman to realise her full potential and contribute to India's journey of development.
