

PARLIAMENT QUESTION: CANCER TREATMENT CENTRES/ HOSPITALS UNDER TATA MEMORIAL CENTRE AND DAE

Posted On: 11 MAR 2026 4:56PM by PIB Delhi

Tata Memorial Centre under the Administrative control of DAE expanded in seven states by establishing 11 Hospital / Institutions to provide the comprehensive cancer care at Mumbai, Kharghar-New Mumbai, Punjab, Varanasi, Vizag, Muzaffarpur and Guwahati. TMC created the facility at Khopoli by tapping Indian system of medicine for drug discovery and for cheaper and less side effective drugs. Promotion of Indian and Traditional knowledge of Medicine. Cultivation and Conservation of Medicinal plants unique to India and a **200-bed state-of-the-art cancer hospital and research centre** is being established at the **NISER Campus, Jatni (Khurda district), Odisha**.

Sr. No.	Name of the Hospital	City, State	Date
1	Tata Memorial Hospital	Mumbai, Maharashtra	19/01/2011
2	Advanced Centre for Treatment, Research and Education in Cancer (ACTREC)	Navi Mumbai, Maharashtra	20/01/2011
3	Mahamana Pt. Madan Mohan Malaviya Cancer Centre (MPMMCC) at Varanasi	Varanasi, Uttar Pradesh	19/01/2011
4	Homi Bhabha Cancer Hospital	Varanasi, Uttar Pradesh	01/01/2011

5	Homi Bhabha Cancer Hospital & Research Centre	Visakhapatnam, Andhra Pradesh	11/04/2018
6	Homi Bhabha Cancer Hospital & Research Centre	New Chandigarh, Punjab	24/04/2018
7	Homi Bhabha Cancer Hospital	Sangrur, Punjab	20/04/2018
8	Dr. B. Borooah Cancer Institute (BBCI)	Guwahati, Assam	27/11/2017
9	Homi Bhabha Cancer Hospital and Research Centre	Muzaffarpur, Bihar	30/04/2018
10	Platinum Jubilee Block	Mumbai, Maharashtra	Exp 31/03/2018
11	Integrated Centre for Treatment, Research, and Education in Cancer (ICTREC)	Khopoli, Raighad, Maharashtra	Exp 27/03/2018
12	Homi Bhabha Cancer Hospital	Bhubaneswar, Odisha	Exp 07/04/2018

The hospitals already established by Tata Memorial Centre are proof-of-concept that such a network can be created and can serve as models for developing more hubs and spokes by the State governments. Tata Memorial Centre is currently in the phase of consolidating its network, especially the non-Mumbai units, to achieve the high level of excellence that TMC Mumbai is renowned for. This consolidation comprises painstaking creation and assimilation of expert human resources in the new units of TMC, creating healthcare delivery pathways that have been honed in Mumbai TMC over decades of its existence, establishing the information technology (IT) backbone on which all

TMC units run, creating an enabling ecosystem (example residential accommodation for staff, trainees and patients), and, maintaining and enhancing the infrastructure required to deliver high-quality cancer care.

Initiatives such as TMC's National Cancer Grid could be a vehicle for technical input, such as resource-stratified guidelines, pathology reporting standards, virtual tumor boards, traveling school of pathology and nursing, etc, for progressive development of hubs and spokes. Tata Memorial Centre could also take the lead in creating an oncology-focused electronic medical record platform for widespread adoption by cancer institutions in India. This will be a significant step in enabling not only seamless data collection but also uniform standards of care throughout the country. Further, as part of the National Cancer Grid we have 380 cancer centres, research organizations and patient groups. However, the NCG does not have a hub and spoke model. The coordinating centre which is in Tata Memorial Hospital runs various activities across the member centres to strengthen cancer care in the country through quality improvement, standardization, manpower training and research.

At present the TMC has established following hospital on Hub & Spoke model basis

HUB	SPOKE
Mahamana Pt. Madan Mohan Malaviya Cancer Centre (MPMMCC), Varanasi	Homi Bhabha Cancer Hospital, Varanasi
Homi Bhabha Cancer Hospital & Research Centre, New Chandigarh, Punjab	Homi Bhabha Cancer Hospital, Sangrur, Punjab

At present there is no such plan to establish hospital on the pattern of Hub and Spoke model in Maharashtra including Wardha region. However, a list of Hospital/Healthcare which are already registered with NCG is attached as Annexure –

It may be noted that TMC is working as a Hub for all NCG activities under the prescribed guidelines.

The funds allocated, released and utilized for setting up and expansion of cancer hospitals and research centres under DAE in the country particularly in Maharashtra during the last three years is attached as Annexure-B.

TMC has not received any proposal in this regard.

This information was given by Union Minister of State (Independent Charge) for Science & Technology and Earth Sciences, and Minister of State in the Prime Minister's Office, Personnel, Public Grievances and Pensions, Atomic Energy and Space, Dr. Jitendra Singh, in a written reply in the Lok Sabha on Wednesday.

NKR/AK

ANNEXURE – A

List of Maharashtra Hospital/Institution registered under NCG

1	Access Life Assistance Foundation	Jollyland CHS, Bunglow no. 6, Ghatla Village Road, Chembur, East, Mumbai 400071
