The **Ministry of Youth Affairs & Sports, Government of India**, through **Mera Yuva Bharat (MY Bharat)**, successfully continued the outreach of the **Viksit Bharat Yuva Connect Programme (VBYCP)** across multiple educational institutions in the national capital on **13th March 2026**, engaging **over 1500 students** in interactive sessions focused on youth participation in nation-building and the vision of **Viksit Bharat@2047**.

The programme witnessed enthusiastic participation from students across **seven institutions**, where **Youth Icons Ishika Gupta, Piyush Kumar, Himanshi, Abhigyan, Shraddha Mishra, Mannat Bhatia, and Disha Goyal** led engaging discussions, presentations, and **Yuva Samvad interactions** to inspire young citizens to actively contribute to India's development journey.

These sessions were organised at **Dr. Bhim Rao Ambedkar College, College of Arts Delhi, Deen Dayal Upadhyaya College, Guru Gobind Singh Indraprastha University, Shaheed Rajguru College of Applied Sciences for Women, Shaheed Sukhdev College of Business Studies, and the Institute of Innovation in Technology & Management**, witnessing vibrant participation from students across institutions.

Across the institutions, the sessions featured engaging presentations and lively **Yuva Samvad dialogues**, where students shared their perspectives, ideas, and aspirations for contributing to India's development journey. A key highlight of the engagements was the collective rendition of **Vande Mataram**, which resonated strongly among the students and reinforced the spirit of national pride and unity.

With the completion of **Day 5 of the Delhi outreach**, the **Viksit Bharat Yuva Connect Programme** has now reached a total of **18 colleges across the national capital**, reflecting the growing momentum of youth engagement under the initiative.

Students and young citizens are encouraged to register on the **MY Bharat portal** (<https://mybharat.gov.in>) and actively participate in youth-led initiatives and programmes across the country. **Serving as a one-stop platform for youth engagement**, the MY Bharat portal connects young people with opportunities in volunteering, skill development, and nation-building initiatives, while also enabling them to stay updated on upcoming events, explore diverse opportunities, and contribute meaningfully to India's development journey.

Through such engagements, the **Viksit Bharat Yuva Connect Programme** continues to strengthen the connection between young citizens and the national development agenda, empowering youth to become active partners in shaping India's journey towards **Viksit Bharat@2047**.
