

Prime Minister shares an article on India's Energy Transition

Posted On: 20 MAR 2026 1:18PM by PIB Delhi

Prime Minister Shri Narendra Modi today shared an article authored by the Union Minister of State, Shri Shripad Naik, which outlines the transformative journey of India's energy sector.

The article highlights that India's energy transition is being driven by pragmatic policy design and a clear push towards Aatmanirbharta (self-reliance).

The Prime Minister wrote on X:

"Union MoS @shripadynaik highlights that India's energy transition is being driven by pragmatic policy and a clear push towards Aatmanirbharta.

With a strong focus on electrification, clean energy and manufacturing, India is shaping a decisive chapter in the global energy landscape.
