

PM Surya Ghar Yojana Delivers Scale with 26 Lakh Installations and ₹17,967 Crore Support

Posted On: 24 MAR 2026 7:14PM by PIB Delhi

The Ministry of New and Renewable Energy (MNRE) is implementing PM Surya Ghar Muft Bijli Yojana (PMSG: MBY) since February 2024 with an aim to achieve rooftop solar (RTS) installations in one crore households in the residential sector by FY 2026-27.

The PMSG: MBY is a demand driven scheme wherein all residential consumers in the country, having grid connected electricity connection of the local DISCOM can avail the benefits of the scheme, for installation of RTS systems, by applying on the National Portal of the scheme.

Under the scheme, since its launch in February 2024, a total of 26,19,879 RTS systems have been installed across the country, as on 19.03.2026.

Under the PMSG: MBY, since its launch in February 2024, an amount of 17,967.53 crore has been disbursed as Central Financial Assistance (CFA) to the beneficiaries of the scheme, as on 19.03.2026. The state/UT wise and year-wise details are given at Annexure.

Under the PMSG: MBY, the entire process from application to CFA disbursement is online through the National Portal. With all credentials entered correctly on the National portal, the average time taken in processing the CFA is around 15 days after redemption request made by the consumer.

The measures undertaken by the Government to expedite DISCOM approvals and payments under the PMSG: MBY are as follows:

- Online process from application to disbursement of subsidy directly into the bank account of the residential consumer through the National Portal.
- Simplified the regulatory approval process by waiving technical feasibility requirement and introducing auto load enhancement upto 10 kW.
- Net metering agreement has been made part of application in the National Portal.

Further, MNRE and REC Ltd., as the National Programme Implementing Agency (NPIA), for PMSG: MBY, work in close coordination with all the DISCOMs, for effective implementation of the scheme.
