

Postal Employees' Delegation Calls on Union Minister Dr Jitendra Singh; thanks PM Modi and DoPT for addressing their concerns

Discussions on Service Reforms, Welfare and Future Readiness

Postal Unions flags off issues related to cadre restructuring, Pensions etc in Meeting with Dr Jitendra Singh

Union Minister Dr. Jitendra Singh Assures Consideration of Postal Employees' Concerns

Posted On: 31 MAR 2026 1:14PM by PIB Delhi

A delegation of postal employees and representatives of various postal unions called on the Union Minister of State (Independent Charge) for Science & Technology, Earth Sciences, and MoS PMO, Personnel, Public Grievances, Pensions, Atomic Energy and Space, Dr. Jitendra Singh. They thanked PM Modi and the Department of Personnel & Training (DoPT) for effectively addressing their concerns, from time to time.

The delegation discussed a range of issues concerning the Department of Posts, including cadre restructuring in certain segments, implementation of financial upgradation schemes, and pension-related matters. Concerns relating to Mail Motor Service and its future role in the evolving communication ecosystem were also discussed.

Several representations were made regarding pension and family pension related issues. In this context, Dr. Jitendra Singh suggested making effective use of existing institutional mechanisms, including Pension Adalat, CPENGRAM, and pension grievance forums, for expedited resolution of long-pending cases.

The delegation also discussed issues related to career progression under existing schemes and sought greater uniformity in implementation across regions. Matters concerning Gramin Dak Sevaks (GDS), including social security coverage and welfare measures, were also discussed.

Dr. Jitendra Singh acknowledged the contribution of postal employees in ensuring last-mile service delivery across the country, particularly in rural and remote areas, and in sustaining essential services during challenging times.

Referring to the changing nature of communication and service delivery, the Minister indicated the need for aligning workforce structures and service models with emerging technologies and evolving public requirements. He also encouraged exploring new avenues and opportunities within the broader framework of administrative and service reforms.

The interaction also included discussions related to coordination in sectors linked to atomic energy and allied areas, with a view to strengthening institutional capabilities and ensuring effective participation of stakeholders.

The Minister also indicated that matters relating to cadre restructuring would be examined in coordination with the concerned authorities as per established procedures.

The Minister conveyed that the issues raised would be taken up with the concerned Ministries and Departments for appropriate consideration, in accordance with established policy provisions and applicable rules.

The delegation expressed satisfaction over the interaction and appreciated the opportunity for such regular detailed and constructive meetings with Minister Dr Jitendra Singh.
