The Prime Minister, Shri Narendra Modi today, shared an article written by Union Minister, Shri Dharmendra Pradhan, on how under NEP 2020, India is continuing to nurture curiosity and holistic development with an immense focus on foundational literacy and joyful learning. Shri Modi stated that the first day of school is not just a beginning, but it is also a shared national responsibility among the students that needs to be embedded.

Shri Modi posted on X:

“The first day of school is not just a beginning, but it is also a shared national responsibility among the students that needs to be embedded! Under NEP 2020, India is continuing to nurture curiosity and holistic development with an immense focus on foundational literacy and joyful learning.
