

Prime Minister completes his self enumeration, appeals to citizens to self-enumerate their household details and participate in the Census process

Posted On: 01 APR 2026 8:12PM by PIB Delhi

Prime Minister, Shri Narendra Modi completed his self enumeration today, marking the beginning of the first phase of Census 2027, relating to house listing and housing operations. Shri Modi said that this census is the first time data collection is being done through digital means. It also empowers the people of India to self-enumerate their household details.

Shri Modi appealed to the people of India to self-enumerate their household details themselves and participate in the Census process.

The Prime Minister posted on X;

“Completed my self enumeration.

Today marks the beginning of the first phase of Census 2027, relating to house listing and housing operations. This census is the first time data collection is being done through digital means. It also empowers the people of India to self-enumerate their household details.

I appeal to the people of India to self-enumerate their household details themselves and participate in the Census process.”
