Pune, 6 April 2026

The Examination Hall Tickets for the Public (Theory) Exams of Secondary and Senior Secondary courses for the April/May 2026 session are now available on the official portal: <https://sdmis.nios.ac.in>

Students who have successfully paid the examination fee for the April 2026 session can access their hall tickets by visiting the portal and navigating to: Exam & Result → Examination section. They will need to enter their valid Enrollment Number to view or download the hall ticket.

Learners can also use the direct link to access their Theory Examination Hall Ticket: <https://sdmis.nios.ac.in/search/hall-ticket>

Important Note

If a learner enrolled in the Senior Secondary course has not completed the mandatory two-year gap between passing Class 10 and Class 12, a section will appear on the hall ticket indicating that the student is not permitted to appear in more than four subjects in the April/May 2026 public examinations.

It is the learner's responsibility to ensure compliance with this rule. If a student appears in more than four subjects without fulfilling the mandatory two-year gap, their result will not be declared.

Such students will be required to reappear in the subject(s) in a future session (after completing the mandatory two-year gap) by paying the examination fee again.
